MICHELE REAGAN
Secretary of State
State of Arizona

An Introduction from Secretary of State Michele Reagan

This Guide answers the most frequent questions about how to complete a Financial Disclosure Statement in accordance with Arizona law. For example, who is required to file a Financial Disclosure Statement? What if a lawmaker was recently elected and didn't serve in office during the previous year? What types of judges are required to file a Financial Disclosure Statement with the Secretary of State's office? These answers and more are found in the pages that follow.

Please note, in 2018 the Secretary of State's Office issued a revised Financial Disclosure Statement that includes a Travel-Related Expenses category, which was added by the Legislature by Laws 2016, Ch. 196, § 1. Additionally, the Secretary of State's Office implemented an online wizard to facilitate completion of the form and store your information from year-to-year. Our office will no longer accept hard copy or in-person filings accordingly.

If you have any questions after reading this Guide, please contact the Secretary of State's Office at financialdisclosure@azsos.gov.

Sincerely,

A handwritten signature in cursive script that reads "Michele Reagan".

1 DUTY TO FILE FINANCIAL DISCLOSURE STATEMENT

1.1 PERSONS REQUIRED TO FILE FINANCIAL DISCLOSURE STATEMENTS

Two categories of persons are required to file Financial Disclosure Statements:

- Public officers who hold a political or judicial office;¹ and
- Candidates for elective office.²

Public officers and candidates file the same Financial Disclosure Statement form and are required to answer the same questions; the only difference is the time period covered by the Financial Disclosure Statement.

1.1.1 Public Officers

The following public officers must file an annual Financial Disclosure Statement with the Secretary of State's Office if he or she held office at any time during the past calendar year:

- A statewide public officer, whether elected or appointed;³
- A member of the Arizona Legislature, whether elected or appointed;⁴
- A justice or judge of the Arizona Supreme Court, Arizona Court of Appeals or Superior Court, whether elected or appointed;⁵ and
- A full-time judge pro tempore, commissioner, or juvenile hearing officer serving the appellate courts or the Superior Court.⁶

The duty to file a Financial Disclosure Statement applies even if a person did not serve as a public officer during the entire calendar year. A Financial Disclosure Statement must be filed if, during the previous calendar year, a person:

- “Qualified” as a public officer but did not yet assume office;⁷
- Was elected or appointed and began serving in office; or
- Served in public office but resigned, retired or left office for any reason.

¹ A “public officer” is defined as “a member of the legislature and any judge of the court of appeals or the superior court, or a person holding an elective office the constituency of which embraces the entire geographical limits of this state.” A.R.S. § 38-541(8). A “local public officer” is defined as “a person holding an elective office of an incorporated city or town, a county or a groundwater replenishment district established under title 48, chapter 27.” A.R.S. § 38-541(6).

² A.R.S. § 18-444(D).

³ A.R.S. § 38-541(8). Statewide public officers include the Governor, Secretary of State, Attorney General, State Treasurer, Superintendent of Public Instruction, State Mine Inspector, and members of the Corporation Commission.

⁴ A.R.S. § 38-541(8).

⁵ A.R.S. § 38-541(8). Supreme Court justices are not expressly mentioned in statute but are required to file Financial Disclosure Statements by virtue of Ariz. Code of Jud. Conduct, Rule 3.15.

⁶ Ariz. Supr. Ct. Admin Order 2012-93; Ariz. Code Jud. Admin. § 1-307.

⁷ A.R.S. § 18-444(D). For example, a member of the Legislature “qualifies” as a public officer in November of the previous calendar year but does not assume office until January of the following year.

However, an exception exists for a public officer whose final term of office expires 31 days or less in the immediately following calendar year. In that case, a departing public officer may file his or her final Financial Disclosure Statement between January 1st and January 31st of the year in which they leave office instead of waiting for the following year.⁸ In other words, for those public officers whose final term will end in January, their annual Financial Disclosure Statement should cover the entire previous calendar year *and* include any financial activity from January 1st of the current year through the date the public officer leaves office. This allows departing public officers to take care of all remaining reporting obligations at once.

Local public officers are also required to file Financial Disclosure Statements.⁹

1.1.2 Candidates for Elective Office

A candidate for a statewide or legislative office must also file a Financial Disclosure Statement with the Secretary of State's Office at the same time he or she files a nomination paper to run for public office.¹⁰ Federal candidates are exempt from filing a Financial Disclosure Statement with the Secretary of State's Office.¹¹

Local candidates (other than precinct committeemen) are required to file a Financial Disclosure Statement with the appropriate local filing officer.¹²

For incumbent statewide officeholders and legislators, filing a candidate-related Financial Disclosure Statement does not obviate the need to also file an annual Financial Disclosure Statement in accordance with the section outlined above.

1.2 ACQUIRING AN AUTHORIZED FINANCIAL DISCLOSURE STATEMENT FORM

1.2.1 Statewide, Legislative and Judicial Public Officers and Candidates

Statewide and legislative public officers and candidates must file a Financial Disclosure Statement via the online wizard in the Secretary of State's Candidate Portal, available at: go.azsos.gov/candidateportal.

Judicial public officers may request a Financial Disclosure Statement from the Secretary of State's Office. The Secretary of State's Office may specify the manner of filing this Statement, including requiring use of the Secretary of State's online wizard.

1.2.2 Local Public Officers and Candidates

Local public officers and candidates should contact the appropriate clerk or election filing office for information on obtaining a local Financial Disclosure Statement. A Financial Disclosure Statement form issued by the Secretary of State's Office might not be applicable to local jurisdictions.

⁸ A.R.S. § 18-444(D).

⁹ State law requires counties and incorporated cities and towns to adopt their own standards for Financial Disclosure Statements.⁹ Such jurisdictions may tailor their Financial Disclosure Statements for local needs. A local public officer should check with the clerk or the filing office where candidates file nomination papers in a particular local jurisdiction for more information.

¹¹ A.R.S. § 38-541(8).

¹² A.R.S. § 16-311(H); A.R.S. § 16-312(C); A.R.S. § 16-341(J); A.R.S. § 38-543.

1.3 DEADLINES FOR FILING A FINANCIAL DISCLOSURE STATEMENT

1.3.1 Public Officers

1.3.1.1 Annual Filing Requirement

A person who served or qualified as a public officer at any time during a calendar year must file an annual Financial Disclosure Statement between January 1st and January 31st of the following calendar year.¹³

However, an exception exists for a public officer whose final term of office expires 31 days or less in the immediately following calendar year. In this case, a departing public officer may file his or her final Financial Disclosure Statement between January 1st and January 31st of the year in which they leave office instead of waiting for the following year.¹⁴

1.3.1.2 Requirement for Newly-Appointed Public Officers

In addition to filing an annual Financial Disclosure Statement, a newly appointed public officer must file a Financial Disclosure Statement within 60 days of the date of assuming office.¹⁵ This Financial Disclosure Statement must cover the previous consecutive 12-month period, ending with the last full month prior to the date of assuming office.

If a public officer was appointed in the month of January, he or she need only file *one* Financial Disclosure Statement because both the previous 12-month and annual reporting obligations will be satisfied. Otherwise, a newly-appointed public officer must file an annual Financial Disclosure Statement in January even if he or she recently filed a Financial Disclosure Statement upon appointment in the previous calendar year.

1.3.2 Candidates for Elective Office

A candidate for elective office (other than a candidate for federal office or precinct committeeman) must file a Financial Disclosure Statement at the same time he or she files a nomination paper.¹⁶ For a candidate seeking nomination through a primary election, the nomination paper typically must be filed 90 days before the primary election.¹⁷

A judicial applicant for merit selection to the Superior Court does not need to file a Financial Disclosure Statement in conjunction with such application.

1.4 WHERE TO FILE A FINANCIAL DISCLOSURE STATEMENT

1.4.1 Public Officers

The following public officers must file an annual Financial Disclosure Statement (or a Financial Disclosure Statement within 60 days of being newly appointed) with the Secretary of State's Office:

¹³ A.R.S. § 18-444(D).

¹⁴ A.R.S. § 18-444(D).

¹⁵ A.R.S. § 18-444(D).

¹⁶ A.R.S. § 16-311(H); A.R.S. § 16-312(C); A.R.S. § 16-341(J); A.R.S. § 38-543.

¹⁷ A.R.S. § 16-311(A); *but see* A.R.S. § 16-312(B) (write-in candidates); A.R.S. § 16-951(B) (statewide and legislative candidates seeking public funding).

- A statewide public officer, whether elected or appointed;¹⁸
- A member of the Arizona Legislature, whether elected or appointed;¹⁹
- A justice or judge of the Arizona Supreme Court, Arizona Court of Appeals or Superior Court, whether elected or appointed;²⁰ and
- A full-time judge pro tempore, commissioner, or juvenile hearing officer serving the appellate courts or the superior court²¹.

A local public officer must file a Financial Disclosure Statement with the filing officer designated by local charter, ordinance, or resolution.

1.4.2 Candidates for Elective Office

A statewide or legislative candidate must file a Financial Disclosure Statement with the Secretary of State's Office.²²

A local candidate (other than a candidate for precinct committeeman) must file a Financial Disclosure Statement with the officer in charge of elections with whom nomination papers must be filed for the office in question.²³

1.5 ENFORCEMENT

Upon referral by the Secretary of State, the Attorney General enforces the filing requirement with respect to statewide, legislative or judicial public officers who fail to file by the statutory deadline.²⁴ Enforcement may include a civil penalty of \$50 for each day the Financial Disclosure Statement is late (up to \$500) until the Statement is filed.²⁵ Failure to file a Financial Disclosure Statement at the local level may result in referral to a local enforcement officer.

In addition, any public officer or candidate found to have knowingly filed an incomplete or false Financial Disclosure Statement may be found guilty of a class 1 misdemeanor.²⁶

Please note, the Secretary of State's Office or other local officer in charge of elections may refuse to accept a nomination paper from a candidate who fails to file an accompanying candidate-related Financial Disclosure Statement.²⁷

1.6 LAWS GOVERNING FINANCIAL DISCLOSURE STATEMENTS

The law governing Financial Disclosure Statements may be found in Arizona Revised Statutes § 18-444, § 38-541, and §§ 38-543 to 38-545.

¹⁸ A.R.S. § 38-541(8). Statewide public officers include the Governor, Secretary of State, Attorney General, State Treasurer, Superintendent of Public Instruction, State Mine Inspector, and members of the Corporation Commission.

¹⁹ A.R.S. § 38-541(8).

²⁰ A.R.S. § 38-541(8). Supreme Court justices are not expressly mentioned in statute but are required to file Financial Disclosure Statements by virtue of Ariz. Code of Jud. Conduct, Rule 3.15.

²¹ Ariz. Supr. Ct. Admin Order 2012-93; Ariz. Code Jud. Admin. § 1-307.

²² A.R.S. § 16-311(E).

²³ A.R.S. § 15-393(A)(4), (C)(5); A.R.S. § 15-422(A); A.R.S. § 15-431(B)(6); A.R.S. § 15-1442(A); A.R.S. § 16-311(F).

²⁴ A.R.S. § 38-544(B) (indicating the violations will be enforced according to the same standards as campaign finance complaints); *see also* A.R.S. §§ 16-937 to 16-938 (campaign finance enforcement provisions).

²⁵ A.R.S. § 38-544(B).

²⁶ A.R.S. § 38-544(A).

²⁷ A.R.S. § 16-311(H)(1).

The Arizona Code of Judicial Conduct, Rule 3.15, Arizona Code of Judicial Administration, § 1-307, and Arizona Supreme Court Administrative Order 2012-93 govern Financial Disclosure Statements by Arizona justices, judges and full-time judge *pro tems*, commissioners, and juvenile hearing officers.

Counties, cities, and towns may have additional charter provisions, ordinances, or resolutions that govern the filing of Financial Disclosure Statements by local public officers and candidates.

2 COMPLETING A FINANCIAL DISCLOSURE STATEMENT

A Financial Disclosure Statement requires the disclosure of your personal and business financial interests. You must answer all the questions on the Financial Disclosure Statement unless the question is inapplicable.

You must not only disclose financial information about yourself, but about your household members' financial interests as well.²⁸ A member of your household is defined as:

- A spouse who resides in your household; and
- Any children 18 years old and younger who reside in your household (full or part time) and whom you or your spouse have joint or sole legal custody.

You are not required to identify your spouse or minor children by name. However, if you do choose to identify any household members by name, the Secretary of State's Office (or other local filing officer) will not redact that information in any internet posting or in response to any public request for your Financial Disclosure Statement. All information in a Financial Disclosure Statement is a public record.

2.1 PERSONAL FINANCIAL INTERESTS

2.1.1 Sources of Personal Compensation

You must provide the name and address of each employer who paid you or any member of your household more than \$1,000 in salary, wages, commissions, tips or other forms of compensation (other than "gifts" discussed further below) during the period covered by the Financial Disclosure Statement.²⁹ You must also describe the nature of each employer's business and the type of services for which you or a member of your household were compensated.

You must also disclose indirect sources of compensation exceeding \$1,000 in cases where someone outside your household received anything of value for your or a member of your household's use or benefit. For example, if a person was paid by a third-party to be your personal housekeeper, you must identify the name and address of the person that performed the services that benefitted you, describe the nature of that person's services, and provide the name and address of the third-party who paid for the services on your behalf.

However, you need not disclose income of a business in this section, including money you or any member of your household received that constitutes income paid to a business that you or your household member owns or does

²⁸ A.R.S. § 18-444(A)(1). Information about household members is addressed in Question 1 in the Financial Disclosure Statement.

²⁹ A.R.S. § 18-444(A)(2) Information about personal compensation is addressed in Question 2 in the Financial Disclosure Statement. "Compensation" is defined as "anything of value or advantage, present or prospective, including the forgiveness of debt." A.R.S. § 38-541(2).

business as (such as a sole proprietorship).³⁰ This type of business income will be disclosed in the section relating to Business Financial Interests.³¹

2.1.2 Professional, Occupational and Business Licenses

You must disclose all professional, occupational or business licenses held by you or any member of your household at any time during the period covered by the Financial Disclosure Statement.³² For example, if you hold a law license (whether active or inactive), you must identify the type of license, the person in the household that holds that license, and the jurisdiction or entity that issued the license.

The disclosure obligation includes licenses in which you or a member of your household had an “interest,” which includes (but is not limited to) any business license held by a “controlled” or “dependent” business as defined below.

2.1.3 Personal Creditors

You must disclose the name and address of each creditor to whom you or a member of your household owed a qualifying personal debt over \$1,000 during any point during the period covered by the Financial Disclosure Statement.³³ A qualifying debt is a personal debt *other than* the following types of debts:

- Debts resulting from the ordinary conduct of a business;³⁴
- Debts on any personal residence or recreational property;
- Debts on motor vehicles used primarily for personal (not commercial) purposes;
- Debts secured by cash values on life insurance;
- Debts owed to relatives; or
- Personal credit card transactions or the value of any retail installment contracts you or your household member entered into.

Additionally, if the qualifying personal debt was either incurred for the first time or completely discharged (paid in full) during the period covered by the Financial Disclosure Statement, you must identify the date and disclose whether the debt was incurred or discharged.

2.1.4 Personal Debtors

You must disclose the name of each debtor who owed you or a member of your household a debt over \$1,000 at any time during the period covered by the Financial Disclosure Statement,³⁵ along with the approximate value of the debt by financial category:

- \$1,000 to \$25,000;

³⁰ A.R.S. § 18-444(A)(2).

³¹ Information about business interests is addressed in Question 12 in the Financial Disclosure Statement.

³² A.R.S. § 18-444(A)(9). Information about professional and occupational licenses is addressed in Question 3 in the Financial Disclosure Statement.

³³ A.R.S. § 18-444(A)(6). Information about personal creditors is addressed in Question 4 in the Financial Disclosure Statement.

³⁴ Information about business interests is addressed in Question 12 in the Financial Disclosure Statement.

³⁵ A.R.S. § 18-444(A)(7). Information about personal debtors is addressed in Question 5 in the Financial Disclosure Statement.

- \$25,001 to \$100,000; or
- \$101,000 +

Additionally, if the qualifying personal debt was either incurred for the first time or completely discharged (paid in full) during the period covered by the Financial Disclosure Statement, you must identify the date and disclose whether the debt was incurred or discharged.

2.1.5 Gifts

You must disclose the name of any donor who gave you or a member of your household a gift (or an accumulation of gifts) during the preceding calendar year with a cumulative value over \$500, subject to the exceptions listed below.³⁶ A “gift” is defined as a gratuity, tip, special discount, favor, hospitality, service, economic opportunity, loan or other benefit received without adequate consideration or reciprocal value and not provided to members of the public at large. In other words, a gift is a special benefit you or your household member received without providing an equivalent benefit in return.

You need not disclose the following as gifts:

- Gifts received by will;
- Gift received by intestate succession (in other words, gifts distributed to you or a household member according to Arizona’s intestate succession laws, not by will);
- Gift distributed from an *inter vivos* (living) or testamentary (by will) trust established by a spouse or family member;
- Gifts received from any other member of the household;
- Gifts received by parents, grandparents, siblings, children and grandchildren; or
- Political campaign contributions reported on campaign finance reports.

Please note, the concept of a “gift” for purposes of a Financial Disclosure Statement is separate and distinct from the gift restrictions outlined in Arizona’s lobbying statutes.³⁷ Thus, disclosure in a lobbying report does not relieve you or a member of your household’s duty to disclose qualifying gifts in a Financial Disclosure Statement.

2.1.6 Offices, Positions or Fiduciary Relationships in Businesses, Nonprofit Organizations or Trusts

You must disclose the name and address of each business, organization, trust or nonprofit organization or association in which you or any member of your household held any office, position, or fiduciary relationship during the period covered by the Financial Disclosure Statement, including a description of the office, position or relationship.³⁸

2.1.7 Ownership or Financial Interests in Businesses or Trusts

You must disclose the name and address of each business or trust in which you or any member of your household had an ownership or beneficial interest of over \$1,000 during the period covered by the Financial Disclosure

³⁶ A.R.S. § 18-444(A)(8). Information about gifts is addressed in Question 6 in the Financial Disclosure Statement.

³⁷ See e.g. A.R.S. § 41-1232.02(J); A.R.S. § 41-1232.03(J).

³⁸ A.R.S. § 18-444(A)(4). Information about fiduciary relationships is addressed in Question 7 in the Financial Disclosure Statement.

Statement,³⁹ along with the approximate value of the interest by financial category:

- \$1,000 to \$25,000;
- \$25,001 to \$100,000; or
- \$101,000 +

Business interests include any financial interest in an enterprise, organization, trade, occupation, or profession (whether or not operated as a legal entity or for profit), including any business trust, corporation, limited liability company, partnership, joint venture, or sole proprietorship.⁴⁰

The Secretary of State’s Office has traditionally interpreted “business interests” to include investments as well, including stocks, bonds (other than state and local bonds), annuities, certificates of deposit, and other similar financial products.⁴¹ If you own a mutual fund, individual retirement account, or 401(k) plan that contains a portfolio of securities, you need only identify the fund, account, or plan—not the individual securities.

2.1.8 Ownership of Bonds

You must disclose any bonds issued by a state or local government agency worth more than \$1,000 that you or a member of your household held during the period covered by the Financial Disclosure Statement,⁴² along with the approximate value of the bonds by financial category:

- \$1,000 to \$25,000;
- \$25,001 to \$100,000; or
- \$101,000 +

Additionally, if the bonds were either acquired for the first time or completely divested (sold in full) during the period covered by the Financial Disclosure Statement, you must identify the date and disclose whether the bonds were first acquired or fully divested.

2.1.9 Real Property Ownership

You must disclose any Arizona land and improvements owned by you or a member of your household (other than a primary residence or property used for personal recreation) during the period covered by the Financial Disclosure Statement,⁴³ along with the approximate value of the land by financial category:

- \$0 to \$999;⁴⁴
- \$1,000 to \$25,000;

³⁹ A.R.S. § 18-444(A)(4). Information about business investments is addressed in Question 8 in the Financial Disclosure Statement.

⁴⁰ A.R.S. § 38-541(1).

⁴¹ Insurance investments (such as permanent life insurance) need not be disclosed.

⁴² A.R.S. § 18-444(A)(10). Information about bonds is addressed in Question 9 in the Financial Disclosure Statement.

⁴³ A.R.S. § 18-444(A)(5). Information about property ownership is addressed in Question 10 in the Financial Disclosure Statement.

⁴⁴ Notwithstanding A.R.S. § 18-444(B), A.R.S. § 18-444(A)(5) requires a public officer or candidate to disclose “the value of any such [property] interest” without imposing a minimum \$1,000 reporting threshold similar to other financial disclosure statutes. Thus, a public officer or candidate has the option to report the existence of property ownership and value that property under \$1,000.

- \$25,001 to \$100,000; or
- \$101,000 +

You must also describe the property's location (city and state) and its approximate size (acreage or square footage).

Additionally, if the land was either acquired for the first time or completely divested (sold in full) during the period covered by the Financial Disclosure Statement, you must identify the date and disclose whether the land was first acquired or fully divested.

2.1.10 Travel Expenses

You must disclose the name and location each meeting, conference, or other event you traveled to and participated in during the period covered by the Financial Disclosure Statement, if the following conditions were met:

- You participated in the meeting, conference, or other event in your official capacity as a public officer or candidate; and
- At least \$1,000 in travel-related expenses were incurred on your behalf, regardless of whether the expenses were directly paid by a third-party or you were reimbursed by a third-party.⁴⁵

Travel-related expenses include (but are not limited to) airfare, gas, lodging, meals, and other associated fees.⁴⁶ A meeting, conference, or other event qualifies for potential disclosure regardless of whether the travel-related expenses were paid by an interest group, lobbyist, association, or the public officer's or candidate's own employer.

If the travel-related expenses exceeded \$1,000 for a particular meeting, conference, or other event, you must disclose the approximate value of the total expenses:

- \$1,000 to \$25,000;
- \$25,001 to \$100,000; or
- \$101,000 +

You do not need to disclose any personal monies you expended related to travel, or any other personal expenses you incurred while traveling.

2.2 BUSINESS FINANCIAL INTERESTS

2.2.1 Business Names

You must disclose the name of any business under which you or any member of your household owns or did business (including if you or your household member were self-employed) during the period covered by the Financial Disclosure Statement,⁴⁷ which includes any corporations, limited liability companies, partnerships, sole

⁴⁵ A.R.S. § 18-444(A)(11). Information about travel expenses is addressed in Question 11 in the Financial Disclosure Statement.

⁴⁶ A public officer or candidate who was accompanied by a protective security detail at government expense need not disclose any travel-related expenses for the security detail.

⁴⁷ A.R.S. § 18-444(A)(3). Information about business interests is addressed in Question 12 in the Financial Disclosure Statement.

proprietorships or any other type of business conducted under a trade name.⁴⁸

You must also disclose whether the named business is “controlled” or “dependent.” A business is “controlled” if you or any member of your household (individually or combined) had an ownership interest that amounts to more than 50%. On the other hand, a business is “dependent” if:

- You or any household member (individually or combined) had an ownership interest that amounts more than 10% in the business;
- The business received more than \$10,000 from a single source during the period covered by the Financial Disclosure Statement; and
- The \$10,000 or more in income from the single source amounted to more than 50% of the business’ gross income for the period covered by the Financial Disclosure Statement.⁴⁹

If a business is both “controlled” and “dependent,” it should be classified as such in the Financial Disclosure Statement.

Please note, the remaining questions in the Business Financial Interests section of the Financial Disclosure Statement only relate to controlled and dependent businesses. If you disclosed the name of a business interest in Question 12 but that business is neither “controlled” nor “dependent,” the remaining questions in the Financial Disclosure Statement need not be answered.

2.2.2 Controlled Business Information

If you designated a business as “controlled” in Question 12 of the Financial Disclosure Statement, you must disclose the goods or services provided by the controlled business.⁵⁰

You must also disclose whether the controlled business has a “major client,” which applies if the following conditions are met:

- A single client or customer (whether a person or business) that accounted for more than \$10,000 in income during the period covered by the Financial Disclosure Statement; and
- The business income received from a single client or customer constitutes at least 25% of the controlled business’ gross income during the period covered by the Financial Disclosure Statement.⁵¹

If the controlled business’ client or customer is deemed a “major client,” you must describe what services your controlled business provided to the major client (but you need not identify the major client by name). If the major client is a business, you must also describe the major client’s type of business activities.

2.2.3 Dependent Business Information

If you designated a business as “dependent” in Question 12 of the Financial Disclosure Statement, you must disclose

⁴⁸ A “business” is defined as any enterprise, organization, trade, occupation, or profession (whether or not operated as a legal entity or for profit), including any business trust, corporation, limited liability company, partnership, joint venture, or sole proprietorship. A.R.S. § 38-541(1).

⁴⁹ A.R.S. § 18-444(A)(3).

⁵⁰ A.R.S. § 18-444(A)(3). Information about controlled businesses is addressed in Question 13 in the Financial Disclosure Statement.

⁵¹ A.R.S. § 18-444(A)(3).

the goods or services provided by the dependent business.⁵²

You must also disclose whether the dependent business has a “major client,” which applies if the following conditions are met:

- A single client or customer (whether a person or business) that accounted for more than \$10,000 in income during the period covered by the Financial Disclosure Statement; and
- The business income received from a single client or customer constituted at least 25% of the dependent business’ gross income during the period covered by the Financial Disclosure Statement.⁵³

If the dependent business’ client or customer is deemed a “major client,” you must describe what services your dependent business provided to the major client (but you need not identify the major client by name). If the major client is a business, you must also describe the major client’s type of business activities.

2.2.4 Real Property Owned by a Controlled or Dependent Business

You must disclose any Arizona land and improvements which was owned by a controlled or dependent business during the period covered by the Financial Disclosure Statement,⁵⁴ along with the approximate value of the land by financial category:

- \$0 to \$999;⁵⁵
- \$1,000 to \$25,000;
- \$25,001 to \$100,000; or
- \$101,000 + ⁵⁶

You must also describe the property’s location (city and state) and its approximate size (acreage or square footage).

⁵² A.R.S. § 18-444(A)(3). Information about dependent businesses is addressed in Question 14 in the Financial Disclosure Statement.

⁵³ A.R.S. § 18-444(A)(3).

⁵⁴ A.R.S. § 18-444(A)(5). Information about property interests is addressed in Question 15 in the Financial Disclosure Statement.

⁵⁵ Notwithstanding A.R.S. § 18-444(B), A.R.S. § 18-444(A)(5) requires a public officer or candidate to disclose “the value of any such [property] interest” without imposing a minimum \$1,000 reporting threshold similar to other financial disclosure statutes. Thus, a public officer or candidate has the option to report the existence of property ownership and value that property under \$1,000.

⁵⁶ If the business is one that primarily deals in real property and improvements, you should select the category that corresponds to the aggregate value of all parcels held by the business during the period covered by the Financial Disclosure Statement.

- The debt owed by a controlled or dependent business to a single creditor constituted at least 30% of the controlled or dependent business' total indebtedness at any time during the period covered by the Financial Disclosure Statement.⁵⁷

If the controlled or dependent business' creditor is deemed a "major creditor," you must disclose the name and address of the creditor.

Additionally, if the debt was either incurred for the first time or completely discharged (paid in full) during the period covered by the Financial Disclosure Statement, you must identify the date and disclose whether the debt was incurred or discharged.

2.2.6 Controlled or Dependent Business' Debtors

- The debt owed to a controlled or dependent business by a single debtor constituted at least 30% of the total indebtedness owed to the controlled or dependent business at any time during the period covered by the Financial Disclosure Statement.⁵⁸

If the controlled or dependent business' debtor is deemed a "major debtor," you must disclose the name of the debtor, along with the approximate value of the debt by financial category:

- \$1,000 to \$25,000;
- \$25,001 to \$100,000; or
- \$101,000 +

Additionally, if the debt was either incurred for the first time or completely discharged (paid in full) during the period covered by the Financial Disclosure Statement, you must identify the date and disclose whether the debt was incurred or discharged.

⁵⁸ A.R.S. § 18-444(A)(7). Information about dependent businesses is addressed in Question 17 in the Financial Disclosure Statement.

3 LAWS GOVERNING FINANCIAL DISCLOSURE

3.1 ARIZONA REVISED STATUTES

A.R.S. § 18-444. Duty to file financial disclosure statement; contents; exceptions

A. In addition to other statements and reports required by law, every public officer, as a matter of public record, shall file with the secretary of state on a form prescribed by the secretary of state a verified financial disclosure statement covering the preceding calendar year. The statement shall disclose:

1. The name and home or work address of the public officer, whether the public officer's spouse is a member of the public officer's household, the number of minor children who are members of the public officer's household and all names and addresses under which each does business. If disclosure of the identity of the public officer's spouse or minor child would otherwise be required, a public officer may comply with the identification requirement by using the term "spouse" or "minor child", as applicable.

2. The name and address of each employer and of each other source of compensation other than gifts amounting to more than one thousand dollars received during the preceding calendar year by the public officer and members of his household in their own names, or by any other person for the use or benefit of the public officer or members of his household, a description of the services for which the compensation was received and the nature of the employer's business. This paragraph shall not be construed to require the disclosure of individual items of compensation that constituted a portion of the gross income of the business from which the public officer or members of his household derived compensation.

3. For a controlled business, a description of the goods or services provided by the business, and if any single source of compensation to the business during the preceding calendar year amounts to more than ten thousand dollars and is more than twenty-five percent

of the gross income of the business, the disclosure shall also include a description of the goods or services provided to the source of compensation. For a dependent business the statement shall disclose a description of the goods or services provided by the business and a description of the goods or services provided to the source of compensation from which the dependent business derived the amount of gross income described in § 38-541, paragraph 4. If the source of compensation for a controlled or dependent business is a business, the statement shall disclose a description of the business activities engaged in by the source of compensation.

4. The names and addresses of all businesses and trusts in which the public officer or members of his household, or any other person for the use or benefit of the public officer or members of his household, had an ownership or beneficial interest of over one thousand dollars at any time during the preceding calendar year, and the names and addresses of all businesses and trusts in which the public officer or any member of his household held any office or had a fiduciary relationship at any time during the preceding calendar year, together with the amount or value of the interest and a description of the interest, office or relationship.

5. All Arizona real property interests and real property improvements, including specific location and approximate size, in which the public officer, any member of his household or a controlled or dependent business held legal title or a beneficial interest at any time during the preceding calendar year, and the value of any such interest, except that this paragraph does not apply to a real property interest and improvements thereon used as the primary personal residence or for the personal recreational use of the public officer. If a public officer, any member of his household or a controlled or dependent business acquired or divested any such interest during the preceding calendar year, he

shall also disclose that the transaction was made and the date it occurred. If the controlled or dependent business is in the business of dealing in real property interests or improvements, disclosure need not include individual parcels or transactions as long as the aggregate value of all parcels of such property is reported.

6. The names and addresses of all creditors to whom the public officer or members of his household, in their own names or in the name of any other person, owed a debt of more than one thousand dollars or to whom a controlled business or a dependent business owed a debt of more than ten thousand dollars which was also more than thirty percent of the total business indebtedness at any time during the preceding calendar year, listing each such creditor. This paragraph shall not be construed to require the disclosure of debts owed by the public officer or any member of his household resulting from the ordinary conduct of a business other than a controlled or dependent business nor shall disclosure be required of credit card transactions, retail installment contracts, debts on residences or recreational property exempt from disclosure under paragraph 5 of this subsection, debts on motor vehicles not used for commercial purposes, debts secured by cash values on life insurance or debts owed to relatives. It is sufficient disclosure of a creditor if the name and address of a person to whom payments are made is disclosed. If the public officer, any member of his household or a controlled or dependent business incurred or discharged a debt which is reportable under this subsection during the preceding calendar year, the report shall disclose that the transaction was made and the date it occurred.

7. The identification and amount of each debt exceeding one thousand dollars owed at any time during the preceding calendar year to the public officer and members of his household in their own names, or to any other person for the use or benefit of the public officer or any member of his household. The disclosure shall include the identification and amount of each debt exceeding ten thousand dollars to a controlled business or dependent business which was also more than thirty percent of the total indebtedness to the business at any time during the preceding

calendar year. This paragraph shall not be construed to require the disclosure of debts from the ordinary conduct of a business other than a controlled or dependent business. If the public officer, any member of his household or a controlled or dependent business incurred or discharged a debt which is reportable under this subsection during the preceding year, the report shall disclose that the transaction was made and the date it occurred.

8. The name of each source of any gift, or accumulated gifts from a single source, of more than five hundred dollars received by the public officer and members of his household in their own names during the preceding calendar year, or by any other person for the use or benefit of the public officer or any member of his household except gifts received by will or by virtue of intestate succession, or received by way of distribution from any inter vivos or testamentary trust established by a spouse or by an ancestor, or gifts received from any other member of the household or relatives to the second degree of consanguinity.

9. A list of all business licenses issued to, held by or in which the public officer or any member of his household had an interest at any time during the preceding calendar year, including the name in which the license was issued, the type of business and its location.

10. A list of all bonds, together with their value, issued by this state or any political subdivision of this state and held at any time during the preceding calendar year by the public officer or any member of his household, which bonds issued by a single entity had a value in excess of one thousand dollars. If the public officer or any member of his household acquired or divested any bonds during the preceding calendar year which are reportable under this paragraph, the fact that the transaction occurred and the date shall also be shown.

11. The name of each meeting, conference or other event where the public officer is participating in the public officer's official capacity if travel-related expenses of one thousand dollars or more were incurred on behalf of the public officer and the travel-related expenses are not paid by the public officer.

B. If an amount or value is required to be reported pursuant to this section, it is sufficient to report whether the amount or value of the equity interest falls within:

1. Category 1, one thousand dollars to twenty-five thousand dollars.
2. Category 2, more than twenty-five thousand dollars to one hundred thousand dollars.
3. Category 3, more than one hundred thousand dollars.

C. This section does not require the disclosure of any information that is privileged by law.

D. The statement required to be filed pursuant to subsection A shall be filed by all persons who qualified as public officers at any time during the preceding calendar year on or before January 31 of each year with the exceptions that a public officer appointed to fill a vacancy shall, within sixty days following his taking of such office, file a financial disclosure statement covering as his annual period the twelve month period ending with the last full month prior to the date of his taking office, and a public officer whose final term expires less than thirty-one days into the immediately following calendar year may file the public officer's final financial disclosure at the same time as the disclosure for the last immediately preceding year.

E. The secretary of state shall prepare written guidelines, forms and samples for completing the financial disclosure statement required by this section. A copy of the guidelines, forms and samples shall be distributed to each public officer and shall be made available to each candidate required to file a financial disclosure statement pursuant to § 38-543.

F. Beginning January 1, 2017, the statement required to be filed in subsection D of this section may be filed by the public officer in a form prescribed by the secretary of state that includes authorization for future filings to be submitted in an electronic format. 3.4 ARIZONA CODE OF JUDICIAL CONDUCT

Rule 3.15. Financial Reporting Requirements

(A) A judge shall file annually the financial disclosure statement required by A.R.S. § 38-542 or other applicable law. The completion and filing of the annual financial disclosure statement fulfills the reporting requirements set forth in this code.

(B) Reports made in compliance with this rule shall be filed as public documents in the office designated by law.

COMMENT

1. The information required to be reported by Rules 3.12, 3.13, and 3.14 is a portion of the information that must be included on the annual financial disclosure statement mandated by A.R.S. § 38-542 or other applicable law. A judge is obligated to disclose fully and accurately all information requested on the annual disclosure statement and does not fulfill the statutory obligation by reporting only the information required by Rules 3.12, 3.13, and 3.14. Applicable law requires sufficient disclosure of the financial interests of and gifts to a judge and members of his or her household to promote judicial accountability and integrity.

2. To avoid needless repetition of disclosure requirements, the Arizona judiciary deems compliance with the substantive legal requirement as sufficient to meet the ethical obligations of a judge and thus incorporates them in this code.

3. Reimbursement of expenses from a judge's employer need not be reported under Rule 3.14(C) or Rule 3.15.
