Dear Mr. Caskey:

I write to follow-up on our office's email and telephone correspondence with you on Friday, March 15, 2019, and to confirm the State of Arizona's formal withdrawal from the Interstate Voter Registration Crosscheck Program (hereinafter "Crosscheck"). We appreciate your acknowledgement of our withdrawal and assurance that voter registration lists previously provided to Crosscheck by Arizona have not been retained by Crosscheck and/or the Kansas Secretary of State's office. We further request that Arizona be removed from any website, directory, or other listing of participating states maintained by Crosscheck and/or the Kansas Secretary of State's office.

Thank you in advance for your assistance and attention to this matter.

Sincerely,

Sambo (Bo) Dul
