Dear Janine,

Please be advised that Apache County did not conduct a hand count of the ballots for the August 4, 2020 Primary Election.

The Apache County Elections Department did not receive sufficient names from the two local political parties and who also chose not to participate in a hand count. Therefore, a hand count was not conducted.

If you have any questions regarding this matter, please feel free to contact me.

Respectfully,

Angela C. Romero, Elections Director
Apache County
