Campaign Finance Committee Termination

Quick Reference Guide for Committees

Arizona Legislature has provided a temporary opportunity for eligible committees to terminate under **HB 2874**. Committees that meet all applicable requirements may submit a termination statement through Beacon.

Important Information

- Termination relief is available only through **December 31, 2026**.
- Committees must submit their own termination statement through Beacon.
- The Arizona Secretary of State's Office cannot terminate a committee on your behalf.
- Committees must meet all applicable HB 2874 eligibility requirements before terminating.

Before You Terminate

- Confirm your committee meets all HB 2874 eligibility requirements.
- Dispose of all surplus monies as required by law including all cash on hand.
- All loans must be repaid or forgiven by the contributor.
- Ensure any outstanding filing or compliance issues have been resolved.
- If your committee is suspended, contact the Campaign Finance Division for assistance before proceeding.

Suspended Committees

If your committee is currently suspended and you wish to terminate, please contact the Campaign Finance Division for assistance with lifting the suspension. Once the suspension has been removed, eligible committees may proceed with termination through Beacon.

How to Terminate in Beacon

- Log in to Beacon.
- Select Settings.
- Choose Account Management.
- Select Terminate Committee.
- Complete and submit the termination statement.
