

No Residence Address Confirmation

The *No Residence Address Confirmation* is provided to a person registering to vote who provides written confirmation that they qualify to register to vote pursuant to A.R.S. § 16-121(B), which is when a person does not reside at a fixed, permanent or private structure, but shall be properly registered to vote if that person is qualified [A.R.S. § 16-101] and if that person's registration address is any of the following places located in Arizona:

1. A homeless shelter to which the registrant regularly returns.
2. The place at which the registrant is a resident.
3. The county courthouse in the county in which the registrant resides.
4. A general delivery address for a post office covering the location where the applicant resides.

A person who is otherwise qualified to register to vote shall not be refused registration or declared not qualified to vote because the person does not live in a permanent, private or fixed structure. For the purposes of this section, "homeless shelter" means a supervised publicly or privately operated shelter designed to provide temporary living accommodations to individuals who lack a fixed, regular and adequate nighttime residence.
